## OUR PIZZAS ARE MADE 100% FROM SCRATCH IN HOUSE

Our take on Detroit-Style Pizza borrows from Chicago-Style Deep Dish Pizza and the Tavern-Style pizza found in Wisconsin and throughout the Midwest. Unless otherwise specified, all pizzas are topped with our housemade red sauce and a blend of Mozzarella and Provolone cheese shredded in house. All pizzas are available in 2 sizes, a small feeds 1 - 2 and a large feeds 2 - 4.

**In our small but mighty scratch kitchen, any modifications will add additional time to your order. We are not able to make modifications to 1/2 of a pizza.**
